Mini Cheeseburger Pies

3 slices of wheat bread
1/2 tablespoon butter, melted
1/2 cup ground beef, browned
1 teaspoon ketchup
1/2 teaspoon mustard
1/2 teaspoon dried minced onions
pinch of salt and pepper
about 3 tablespoons shredded cheese

Preheat oven to 350 degrees.

Using a 3" round cookie cutter, cut each slice of bread into a circle.

Using a pastry brush, brush melted butter onto one side of each bread circle and put each slice in the well of a muffin tin, buttered side down.

In a small bowl, combine ground beef, ketchup, mustard, onions, salt and pepper.
Fill each bread cup with ground beef mixture, dividing equally between the three.
Top each with large pinch of shredded cheese.

Bake for 15 minutes until cheese is melted and edges of the bread are crusty.
